

## **Intex's two new models in Home Theatre Systems**

With the inclusion of two more models- Sensation 51130 and 51125 Wooden, Intex's home theatre portfolio, now, has five offerings for the audio-video buffs who prefer to enjoy the 'in -theatre' experience sitting cozily in their homes. Sensation 51130, donning an elegant silver look, delivers 130 W RMS output through its five satellites and one woofer. The unit is available at a MOP of Rs13,500/-. Sensation 51125 Wooden is also a 5.1 model capable of delivering 125 W output with built in micro-controller based control system and full function LED display. The sophisticated unit comes enclosed in a wooden casing and costs around Rs 12,500/-. Both the units can be used in conjunction with TV/DVD/ CD/ VCD player.
