GOLDEN FUN

Your choice of mobile phones just got wider with Intex's foray into this segment. The company has launched three models—Aura, Infi, King—and tied up with the Walt Disney group to provide pre-loaded content like sing tones, ring tones and screen savers of Disney characters. Aura can act as a USB webcam and has 1 GB external memory with MP3 player and 1.3 megapixel camera with 5x zoom. Infi is a phone for music lovers owing to its two in-built speakers and 128 MB memory. It also has a VGA camera with 4x zoom. King comes with one-touch FM radio and preloaded Mickey sing tones.

Prices: Aura Gold, Rs 7,990;
Aura Black, Rs 7,790; Infi,
Rs 5,450; King, Rs 2,050
