Intex Tech unveils GSM phones

Mumbai, April 24

Intex Technologies Ltd has entered the mobile communication market, with the launch of three GSM mobile phones. The phones have been launched through a tie-up with Buena Vista Internet Group, which is a part of the Walt Disney Group. Buena Vista will provide preloaded Disney content along with the Intex mobile phones. The phones will be priced between Rs 2,000 and Rs 8,000. — **Our Bureau**
